## **Independent Auditor's Report**

Board of Directors Hope House of Colorado

#### Report on the Financial Statements

I have audited the accompanying financial statements of Hope House of Colorado (a nonprofit corporation) which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## **Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hope House of Colorado as of December 31, 2016 and the results of their changes in net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## 1. Summary of Significant Accounting Policies

#### General

Hope House of Colorado (Hope House) is committed to transforming the lives of teen mothers around the world. Hope House offers teen moms and their children hope for a brighter future by providing resources, education, and support to build strong, healthy and loving homes. Hope House offers residential and outreach programs at their facilities in Arvada and Westminster, Colorado. Hope House was incorporated in 2001 in Colorado as a non-profit corporation and is supported primarily through donor contributions, grants and fundraising activity.

The financial statements of Hope House have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles for not-for-profit entities. Fees for services are recognized as they are earned.

Hope House follows the provisions of generally accepted accounting principles to account for contributions received and contributions made. Under generally accepted accounting principles, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor restrictions. Generally accepted accounting principles require that the financial statements report information regarding its financial position and activities separately by three classes of net assets.

#### A) Unrestricted Net Assets

Unrestricted net assets are net assets currently available at the discretion of the Board for use in Hope House operations.

#### **B) Temporarily Restricted Net Assets**

Temporarily restricted net assets are net assets which are stipulated by donors or grantors for specific operating purposes or future periods.

## C) Permanently Restricted Net Assets

Permanently restricted net assets are to be maintained by Hope House in perpetuity. Currently, there are no permanently restricted net assets.

#### **Revenue Recognition**

Hope House reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction stipulation expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Gifts of land, buildings and equipment are recorded as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be utilized, Hope House reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service

#### **Functional Allocation of Expenses**

Functional expenses have been allocated between general and respective program expenses based upon the following:

- A) Management and general expenses are allocated on the basis of estimated time spent in each area.
- B) Personnel expenses are allocated on the basis of direct salaries.
- C) Building and occupancy costs are allocated on the basis of square footage.

## **Description of Program and Supporting Services**

**Program Services** - Provides housing and structured self-sufficiency program for teen moms and children including parenting and life skills classes, a GED program, assistance with college applications and mentoring.

**Administrative** - Includes functions to ensure an adequate working environment, prepare grant applications and manage financial responsibilities.

Buildings will be depreciated over a 40 year life and other fixed assets are depreciated over a five year period.

#### **In-Kind Contributions**

In-kind contributions may include donated property and equipment, services, space use, gift cards, materials or supplies. All are valued at estimated fair value when recognized.
