

## **Development Committee of the Board**

### **Purpose:**

To expand the reach of Hope House via influential members of the communities we serve. Hope House holds two major events a year, the Gala and Hope House Classic Golf tournament. These two major events generate nearly 30% of the annual income brought into the organization. In order to sustain these events, new sponsors, volunteers and attendees are necessary. Hope House also holds a few key smaller events like the Derby Dash 5K, Brew and Stew, etc. The Development committee will help promote and solicit for these events as well. Additionally, as the new Resource Center becomes closer to reality, there will be other opportunities for this committee to network and bring new supporters to Hope House.

### **Expectations:**

The role of a Committee member includes supporting the Board of Directors and the staff of Hope House. Committee members are expected to attend as many quarterly meetings as possible and communicate to the Board of Directors Development Committee members as well as with the Director of Development and Development team.

Duties may include:

- Speak on behalf of Hope House
- Secure sponsorships
- Bring guests to events
- Make introductions
- Procure live and silent auction items
- Attend events

### **Meetings:**

Meetings will be quarterly and held either over lunch, happy hour or after the work day at various locations in the metro area and at least once a year at the Resource Center.

### **Board Responsibility:**

Actions by the Development Committee may be subject to review and approval by the full Board.
