

GOLF TOURNAMENT 2026 Sponsorship

Hope House provides free self-sufficiency programs to parenting teen moms in three key areas. The Empower Program provides opportunities for personal, educational and economic self-sufficiency for teen moms. The Housing Support Program provides metro-Denver's only Residential Program for teen moms, and additional housing services through various partnerships. The Early Childhood Education Program includes our licensed child care center, providing full-time, quality care for 104 children, as well as our Early Learning & School Age Program, which serves children while their moms are on site in the resource center. All programs are designed to transform the lives of two generations at Hope House.

Last year in Colorado, nearly 2,100 teens became moms. Many of these young women have suffered physical or emotional abuse and are at risk of repeating those patterns with their own children. A shocking 67% live below the poverty line and less than half will ever earn a high school diploma. Hope House works to break these cycles by offering these vulnerable young moms a sense of hope as well as tangible goals for rebuilding their lives.

Hope House Colorado is excited to host its 24th Annual Golf Tournament at the beautiful Sanctuary Golf Course in Sedalia, CO, on Thursday, July 23, 2026. Cocktail hour, dinner and a live auction will follow the tournament. The goal is to have all of the Golf Tournament costs sponsored, ensuring that every dollar raised goes directly to Hope House teen moms and children. I would like to ask you to please consider joining us as a sponsor. Enclosed is sponsorship information.

Thank you so much for considering investing in these young moms. Your support will help break the cycle of generational poverty.
